The #1 Bestseller!

A QUEST OF HEROES (BOOK #1 IN THE SORCERER’S RING) revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King’s men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King’s Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King’s Court and be taken seriously.

But King’s Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King’s Legion.

Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king’s daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king’s sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons.

Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him.

With its sophisticated world-building and characterization, A QUEST OF HEROES is an epic tale of friends

and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Books #2--#17 in the series are now also available!

“Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning.”

--Paranormal Romance Guild {regarding *Turned*}

“A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens.”

--The Dallas Examiner {regarding *Loved*}

“A spirited fantasy that weaves elements of mystery and intrigue into its story line. *A Quest of Heroes* is all about the making of courage and about realizing a life purpose that leads to growth, maturity, and excellence....For those seeking meaty fantasy adventures, the protagonists, devices, and action provide a vigorous set of encounters that focus well on Thor's evolution from a dreamy child to a young adult facing impossible odds for survival....Only the beginning of what promises to be an epic young adult series.”

Midwest Book Review (D. Donovan, eBook Reviewer)

From Publishers Weekly Jun 30, 2014 – In this action-packed first book in the epic fantasy Sorcerer's Ring series (which is currently 14 books strong), Rice introduces readers to 14-year-old Thorgrin "Thor" McLeod, whose dream is to join the Silver Legion, the elite knights who serve the king. Though initially rejected for his youth and inexperience, a chance meeting with the king's Druid, Argon, prompts Thor to leave home and try again. Against all odds, he is allowed to join the Legion as a squire-in-training. Thor quickly proves himself time and again, earning honors, recognition, and even the eye of Princess Gwendolyn. Simultaneously, he discovers a mysterious magical ability building within him. As Thor struggles to tap into his potential and prove himself as a member of the Legion, he becomes embroiled in political intrigue and drama. While Rice's writing is solid and the premise intriguing, there's an overwhelming amount of wish fulfillment packed into this initial installment, with Thor's successes and rewards piling up at an unbelievable rate in an impossibly short time. The predictable plot is packed full of fantasy clichés, the pacing is rushed, and character development is hasty. Ages 12 up.
