Description Airel: The Awakening by Aaron Patterson & Chris White

From USA Today and NYT bestselling author Aaron Patterson!

"Move over Twilight! Here comes Aaron Patterson!"

--Joshua Graham, bestselling author of Beyond Justice and Darkroom

"I was surprised by how much I really, really liked this book. I have not jumped on the whole "fallen angel" bandwagon, just as I didn't jump on all of the vampire stories that came out after Twilight. This is not your typical fallen angel story. It is one that has left me breathlessly waiting for the next one in the series. Hurry up please!!!"

--Sandra Stiles

BOOK DESCRIPTION: AIREL is a young adult paranormal story about an angel who falls so deeply in love with a woman that he chooses to fall from heaven to be with her. She gives birth to a daughter in Arabia, 1250BC. The girl is pursued ferociously, relentlessly by an enemy in the deepest darkness. In present day, Boise, Idaho is just a girl: Airel. She's just your average high school student...who turns out to be anything but average. It's because of who she is, because of her ancestry, because of her lineage. Past and present crash in on each other in the final pages as what has been twisted comes dangerously unraveled.

REVIEWS:

"It takes rare talent for a man to write a novel from a male POV and have it published to great critical and commercial acclaim. But it takes a miracle for that same male, or in this case males, to write a novel from the POV of a teenage girl and have it turn out as incredibly as did the new StoneHouse YA by Aaron Patterson and Chris White, AIREL. From the first sentence, I felt compelled to dive into this young woman's story and just as importantly, I felt like I personally knew her, which means I laughed, stressed and cried right along with her. A beautifully written and crafted fiction about teenage innocence, faith, loss and love. A must read for teens and adults alike."

--Vincent Zandri, International Bestselling Author of The Remains, The Innocent, and Concrete Pearl

"I am happy to say that this novel is one of my favorites of its kind. I never thought I could read a novel like this and be so swept away! I am always willing to try new books, but I usually steer clear of this kind of novel. Not anymore! Not when I can be so engrossed into the character's story, like I was with the beautiful AIREL, that before I know, it's over. I kept turning the pages, wanting to, no-NEEDING, to know what was going to happen next."

--Molly Edwards, Willow Spring, NC

Customer Reviews Airel by Nb.baxter

Amazing book! Very detail oriented and addicting!

Boring by AngelicFlames

I know this was a labor of love being 1200+ pages. It started out pretty good, but Too much fluff and too much flipping back and fourth between Ariel & Kerios and taking forever to explain have lost my interest. I'm about 400 pages from the end of the book and don't even have the desire to finish it. If I hadn't already read 800 pages I wouldn't bother. I'm hoping it gets good at the end, but I won't hold my breath.

Eh by MC 0104

The plot of this story is pretty cool, but the writing style is a bit off. I just don't think that this author(s) really dove deep into a mind of a girl.
