Description *Becoming Alpha* by Aileen Erin

One stupid party. One stupid boy. One stupid kiss. And my life was virtually over.

Tessa McCaide has a unique talent for getting into trouble. Then again, it isn't easy for a girl with psychic visions to ignore what she sees. Luckily Tessa and her family are leaving California and moving halfway across the country, giving her the perfect opportunity to leave her reputation as "Freaky Tessa" behind.

But Tessa doesn't realize that kissing the wrong guy in her new Texas town could land her in far more trouble than she ever imagined. Like being forced to attend St. Ailbe's Academy, a secret boarding school for werewolves.

Even if the wrong guy did accidentally turn her into a shapeshifter and doom her to attending the weirdest high school ever, Tessa can't help her growing attraction to the mysterious Dastien Laurent.

When vampires attack St. Ailbe's and her visions pinpoint an enemy in their midst, Tessa realizes that boy drama and her newfound canine tendencies might just be the least of her problems.

Customer Reviews A different take on werewolves! by Mama RE

I was fortunate enough to read a preview copy of this book, and I loved it! It's a different and inventive take on the old werewolf story in the best way. :)

Addictive, captivating & fun by Laura Vogt

Addictive, captivating, & fun. I loved *Becoming Alpha*, I started as I went to bed one night and ended up reading until 3:30 in the morning. It was a struggle to put it down and go to sleep: definitely a sign of a gripping story.

Tessa is strong, determined & mature. She has clear ethics & thinks (like all teenagers) that she knows how the world should work. I found her charming & endearing. I also just loved her sarcastic wit. Dastien is unbelievably sexy - just the type of man we all want to dream about. I appreciated his directness & his muscles. I did get annoyed with how his behavior didn't match his words. I hope, in *Avoiding Alpha*, that he does work on this, as he says he will, and show himself to be a man of character. Overall, I was mesmerized by the fierce passion of their relationship. Ooolala!!

Becoming Alpha reminded me of *Vampire Academy*: the ballsy, sarcastic girl & the strong, hunky leader/teacher falling passionately in love at supernatural-style boarding school. So definitely read if you enjoyed *Vampire Academy*.

The pace was perfect & the world had plenty of intriguing elements. I enjoyed Erin's revision of werewolf mythology. I cannot wait to learn more about Tessa's magic & the witches. I enjoyed how Erin seems to keep a lot of secrets for us to uncover.

I had a hard time leaving the world of *Becoming Alpha*. I wanted to talk about it with everyone I met, sometimes forgetting that they hadn't also read the book. I've always believed that one of the most important elements of art is to create a world of its own, and Erin does this with *Becoming Alpha*. She makes her fantastical world almost simple, like it is just happening down the street. Loved it.
