## Description Blood Rites, Book 2 The Grey Wolves Series by Quinn Loftis

With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites. Although the challenge is done, the affects are far reaching. Once it is known that Vasile one of the strongest Alphas in the world is in America, specifically Coldspring, TX, there is one Alpha who cannot over look the significance of this. An Alpha who happens to share Jacque's DNA, but is this the one she needs to fear?

With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane's grasp forever. It will take a wolf pack, her mother's love, her two best friend's unrelenting determination, her own will to survive and the undying love of her mate to bring her home. The question remains, if she fights, if she endures, who will she be, what will be left once she is back in her mates arms?

I will recommend this book forever! The plot was so common but with the most interesting twist. I smiled the dialogue, liked the boldness of the language, and fell in love with the characters and their personalities. This book literally had me laughing out loud so people looked at me like 'what asylum let her go?'it had me reading long past midnight. I was actually crying in some places. It had me turning pages when I could have been opening presents Christmas morning! It has the perfect balance of serious drama and comic relief. So in a nutshell I'm in love, would highly recommend this book, and will be first in line at one in the morning at the bookstore waiting for the next one.

Quinn Loftis has done it again. She did not disappoint me with the intense drama, romance or comedy. I love the main characters, especially Jen and her inappropriate comments Haha. Don't sleep on Sally either, she's funny too. I read this book in 1 day, I just couldn't put it down.
