Description City of Heavenly Fire by Cassandra Clare

Shadowhunters and demons square off for the final showdown in the spellbinding, seductive conclusion to the #1 *New York Times* bestselling *Mortal Instruments* series—now with a gorgeous new cover, a map, a new foreword, and exclusive bonus content! *City of Heavenly Fire* is a Shadowhunters novel.

Darkness has descended on the Shadowhunter world. Chaos and destruction overwhelm the Nephilim as Clary, Jace, Simon, and their friends band together to fight the greatest evil they have ever faced: Clary's own brother. Sebastian Morgenstern is on the move, systematically turning Shadowhunter against Shadowhunter. Bearing the Infernal Cup, he transforms Shadowhunters into creatures of nightmare, tearing apart families and lovers as the ranks of his Endarkened army swell. Nothing in this world can defeat Sebastian—but if they journey to the realm of demons, they just might have a chance...

Lives will be lost, love sacrificed, and the whole world will change. Who will survive the explosive sixth and final installment of the *Mortal Instruments* series?

I can't wait! I know this is going to be amazing and a fantastic ending to *The Mortal Instruments*. It does however pain me to say that *The Mortal Instruments* journey is coming to an end. :(thank goodness that she's coming out with like three more Shadowhunter series!
