Description Crossed by Ally Condie

The highly anticipated second book in the Matched trilogy!

Chasing down an uncertain future, Cassia makes her way to the Outer Provinces in pursuit of Ky--taken by Society to his certain death--only to find that he has escaped into the majestic, but treacherous, canyons. On this wild frontier are glimmers of a different life . . . and the enthralling promise of rebellion. But even as Cassia sacrifices everything to reunite with Ky, ingenious surprises from Xander may change the game. On the edge of Society, nothing is as expected, and crosses and double crosses make Cassia's path more twisted than ever.

Look for the epic series finale, REACHED!

From Publishers Weekly Oct 03, 2011 – Separated by the dictatorial Society that rules them, Cassia has been searching for Ky while suffering the harsh conditions of labor camps far from home. About to be sent to the Society's biggest city for her permanent work assignment, Cassia instead grabs an opportunity to reach the war-torn Outer Provinces, where she finally gets a lead in tracking Ky. Ky has survived being used as a pawn in the Society's war against a nameless and faceless enemy; he and two companions have escaped into a no man's land, and Cassia follows. As Cassia and Ky hike through dangerous territory in search of a rumored rebellion and the freedom to be together, the specter of Cassia's betrothed, Xander, hangs over them. Narrated from Cassia and Ky's viewpoints, Condie's sequel to her acclaimed Matched is very much a middle book, centering on a transformative journey and setting up the finale to come. Newcomers will need to read the first book for background, but vivid, poetic writing will pull fans through as Condie immerses readers in her characters' yearnings and hopes. Ages 14 up.
