Description Fairest by Chanda Hahn

Mirror, Mirror, on the wall,
Who is the Fairest of them all?

In the sequel to UnEnchanted, Mina Grime discovers that all is not fair when it comes to the Fae and their tales, especially when they don't all play by the rules. Barely surviving the Story's first fairy tale quest, Mina still has hundreds to go before she can end the curse on her family. But a new player arises to challenge Mina while new rules revamp the game she has just barely begun to understand.

All the while, people are mysteriously disappearing, including Jared, who Mina must finally determine to be friend or foe. And with the loss of her greatest weapon, Mina must try to outwit a deadly hunter. Can Mina survive the most difficult quest yet while protecting those she loves from falling victim to one of the deadliest tales of all? Or will she become a pawn when she strikes a bargain with the Queen of Fae?
