## Description Matched by Ally Condie

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow.

Look for the sequel, *CROSSED*, and the epic series finale, *REACHED*!

From Publishers Weekly Oct 04, 2010 – All her life, Cassia has never had a choice. The Society dictates everything: when and how to play, where to work, where to live, what to eat and wear, when to die, and most importantly to Cassia as she turns 17, who to marry. When she is Matched with her best friend Xander, things couldn't be more perfect. But why did her neighbor Ky's face show up on her match disk as well? She's told it was an error, but something once noticed clamors for attention, and now Cassia can't look away. Ky has many secrets, but the most stunning to Cassia is something she never suspected still existed: creativity. As they fall in love, Cassia's eyes are opened to the truth of the Society, and she knows she can no longer blindly follow its dictates. But the Society isn't through with them, and things get much, much uglier. Condie's enthralling and twisty dystopian plot is well served by her intriguing characters and fine writing. While the ending is unresolved (the book is first in a trilogy), Cassia's metamorphosis is gripping and satisfying. Ages 14 up.

Customer Reviews Dystopian society vs. Romance by Read2012

I love the way, she made it feel; real. It seems believable if you read it. I would encourage everyone to read it. But also keep in mind this book isn't for everyone.
