Description Miss Peregrine's Home for Peculiar Children by Ransom Riggs

The #1 *New York Times* Best Seller is now a major motion picture from visionary director Tim Burton, starring Eva Green, Asa Butterfield, Ella Purnell, Samuel L. Jackson, and Judi Dench.

Bonus features

- Q&A with author Ransom Riggs
- Eight pages of color stills from the film
- Sneak preview of *Hollow City*, the next novel in the series

A mysterious island.??

An abandoned orphanage.??

A strange collection of very curious photographs.??

It all waits to be discovered in *Miss Peregrine's Home for Peculiar Children*, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of Miss Peregrine's Home for Peculiar Children. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they may still be alive. ??A spine-tingling fantasy illustrated with haunting vintage photography, *Miss Peregrine's Home for Peculiar Children* will delight adults, teens, and anyone who relishes an adventure in the shadows.

“A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story.”—John Green, *New York Times* best-selling author of *The Fault in Our Stars*

“With its *X-Men: First Class*-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder *Miss Peregrine's Home for Peculiar Children* has been snapped up by Twentieth

Century Fox. B+”—*Entertainment Weekly*

“‘Peculiar’ doesn’t even begin to cover it. Riggs’ chilling, wondrous novel is already headed to the movies.”—*People*

“You’ll love it if you want a good thriller for the summer. It’s a mystery, and you’ll race to solve it before Jacob figures it out for himself.”—*Seventeen*

From Publishers Weekly Apr 25, 2011 – Riggs's atmospheric first novel concerns 16-year-old Jacob, a tightly wound but otherwise ordinary teenager who is "unusually susceptible to nightmares, night terrors, the Creeps, the Willies, and Seeing Things That Aren't Really There." When Jacob's grandfather, Abe, a WWII veteran, is savagely murdered, Jacob has a nervous breakdown, in part because he believes that his grandfather was killed by a monster that only they could see. On his psychiatrist's advice, Jacob and his father travel from their home in Florida to Cairnholm Island off the coast of Wales, which, during the war, housed Miss Peregrine's Home for Peculiar Children. Abe, a Jewish refugee from the Nazis, lived there before enlisting, and the mysteries of his life and death lead Jacob back to that institution. Nearly 50 unsettling vintage photographs appear throughout, forming the framework of this dark but empowering tale, as Riggs creates supernatural backstories and identities for those pictured in them (a boy crawling with bees, a girl with untamed hair carrying a chicken). It's an enjoyable, eccentric read, distinguished by well-developed characters, a believable Welsh setting, and some very creepy monsters. Ages 12 up.

Customer Reviews Excellent! by acedia@speed

Refreshingly unique adventure.

loved it! by L16H75483R

I'm twelve, and I love reading. this is no joke when i say I have at least 300 booked in my room, and this is the best by far! that is saying something very big! loved it!

Great by Coji11

Great read! Zipped through this book in no time flat. Always exciting. Need to know what happens next!
