Description Mockingjay (The Hunger Games, Book 3) by Suzanne Collins

The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins. The Capitol is angry. The Capitol wants revenge. Who do they think should pay for the unrest? Katniss Everdeen. The final book in The Hunger Games trilogy by Suzanne Collins will have hearts racing, pages turning, and everyone talking about one of the biggest and most talked-about books and authors in recent publishing history!!!!

From Publishers Weekly Aug 23, 2010 – This concluding volume in Collins's Hunger Games trilogy accomplishes a rare feat, the last installment being the best yet, a beautifully orchestrated and intelligent novel that succeeds on every level. At the end of *Catching Fire*, Katniss had been dramatically rescued from the Quarter Quell games; her fellow tribute, Peeta, has presumably been taken prisoner by the Capitol. Now the rebels in District 13 want Katniss (who again narrates) to be the face of the revolution, a propaganda role she's reluctant to play. One of Collins's many achievements is skillfully showing how effective such a poster girl can be, with a scene in which Katniss visits the wounded, cameras rolling to capture (and retransmit) her genuine outrage at the way in which war victimizes even the noncombatants. Beyond the sharp social commentary and the nifty world building, there's a plot that doesn't quit: nearly every chapter ends in a reversal-of-fortune cliffhanger. Readers get to know characters better, including Katniss's sister and mother, and Plutarch Heavensbee, former Head Gamemaker, now rebel filmmaker, directing the circus he hopes will bring down the government, a coup possible precisely because the Capitol's residents are too pampered to mount a defense. "In return for full bellies and entertainment," he tells Katniss, explaining the Latin phrase *panem et circenses*, "people had given up their political responsibilities and therefore their power." Finally, there is the romantic intrigue involving Katniss, Peeta and Gale, which comes to a resolution that, while it will break some hearts, feels right. In short, there's something here for nearly every reader, all of it completely engrossing. Ages 12-up.

Customer Reviews Couldn't stop reading! by SamTurnaa

This was a nice conclusion to the hunger games books. I read it in 4 days because I had to know what happened next. Some parts didn't make sense though even after re-reading them, just the way the author wrote it. The ending wasn't as great as I wanted and expected it to be so I was a little disappointed there. I did enjoy

ready it though and I'm kinda sad the series is over.

I HUNGER...FOR MORE! by Eric Jonrosh

What's my recipe for a delicious read? One part blood sport, two parts love and a zesty pinch of character development, that's what! Sprinkle in some of the most strikingly named characters since my very own General Maddoxton and you've got yourself one savory pot of literary fondue. Katniss Everdeen. Peeta Mellark. Haymitch Abernathy. Caesar Flickermann. Effie Trinket. The great Emeril Lagasse himself doesn't make Louisiana gumbo this spicy.

Now you dear readers, might be saying to yourself: Eric Jonrosh, warrior-poet and author of the sweeping epic "The Spoils of Babylon," set to air on IFC this very January 9th—doesn't "The Hunger Games" series read much like your off-Broadway musical "The Famine Fiasco" sounded? Admittedly, it does. But who hasn't written a tale or twelve about doe-eyed adolescents forced to hunt one another in a bloody attempt to satisfy the murderous ambitions of an apocalyptic future society? I personally consider that narrative archetype a fine plot starter for any aspiring dream weaver.

Now if Mrs. Collins were to follow up this fine series with a novel about a rags-to-riches-to-rags-to-riches-to-rags oil tycoon with a borderline incestuous relationship with his conniving adopted sister, Cynthia Morehouse, well then yes, I'd be rather miffed. So be forewarned, Suzanne, you may be a salty young scribe, but stay away from "The Spoils of Babylon," or you'll have heaven, hell and Eric Jonrosh to pay.

Suddenly Angrily,

Eric Jonrosh, author/director/lover of "The Spoils of Babylon," airing on IFC, January the 9th, 2014

cant wait by POPO0613

i guess after paople saw the movie they want to know what will hapen next

Mockingjay (The Hunger Games, Book 3) by Suzanne Collins

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Mockingjay (The Hunger Games, Book 3) by Suzanne Collins. To get started finding Mockingjay (The Hunger Games, Book 3) by Suzanne Collins, you are right to find our website which has a comprehensive collection of manuals listed. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Mockingjay (The Hunger Games, Book 3) by Suzanne Collins.
