## Description *Percepción (Spanish Edition)* by Lee Strauss

Zoe Vanderveen de diecisiete años de edad es PGA, es decir una persona genéticamente alterada. Ella vive en la seguridad de una ciudad amurallada en una preciosa propiedad con privilegiada ubicación frente al mar, junto a otras personas igual de hermosas que gozan de una expectativa de vida prolongada. Su hermano Liam ha desaparecido. Noah Brody es un natural que vive en el exterior. Él lidera las protestas contra los PGA y detesta el abismo creciente que han creado entre los que tienen y los que no. No le gustan las chicas como Zoe y tiene una buena razón para que ella en especial, no le guste. La despreocupada vida de Zoe da un giro traumático. Ella está en problemas y resulta que, el último chico en la tierra en quien debería confiar, es el único que puede ayudarla, Noah.

(Primer libro de la trilogía Percepción)
