## Description Prince of Wolves, Book 1 The Grey Wolves Series by Quinn Loftis

Jaque Pierce was just an ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring, Texas. When a mysterious foreign exchange student from Romania moves in across the street, Jaque and her two best friends, Sally and Jen, don't realize the last two weeks of their summer was going to get a lot more interesting. From the moment Jaque sets eyes on Fane she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn to is actually a Canis Lupus, werewolf, and she just happens to be his mate; the other half of his soul. The problem is Fane is not the only wolf in Coldspring, Texas. Just as Fane and Jaque are getting to know each other, another wolf steps out to try and claim Jaque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jaque be enough to give him the strength to defeat his enemy, will Jaque accept that she is Fane's mate and complete the bond between them?
