Description Sophie's Secret by Tara West

After shedding 30 pounds of baby fat, Sophie Sinora has grown into a pretty, but insecure, teen in bloom. To make her life more complicated, Sophie can sometimes read minds.

Sophie's BFFs, AJ and Krysta, are also 'gifted' with paranormal abilities. Keeping their gifts secret proves difficult, as their powers are strengthening, making them feel more and more like freaks.

When Sophie falls for Jacob, she hopes he'll ask her out to the Freshman Formal. But when she's forced to cheat and lie for him, she wonders how far she'll have to go to make him like her. Add to her growing list of problems - her teacher's suicidal thoughts, a locker bully who wants to kick her butt, the hot school flirt who won't stop teasing her, her pregnant sister who boots Sophie out of her room, and the growing tension between Sophie and her best friends.

Sophie's got issues. Hopefully, she can fix them in time to save her teacher's life and her social life.

Customer Reviews Great book, worth the read. by Mbiggz

I didn't expect much from is book considering it's a free read. But this book was so good that I actually would have paid for it. I only found one spelling error. And I'm very happy there's 2 other books following this one so I can continue reading about my 3 favorite freaks (; definitely download it.

This was a great book! by capsparrowtara

I wasn't expecting much when I downloaded this book. I thought since it was free it wouldn't be very good. But as I made it past the 1st chapter I was hooked! This book is an amazing read and I can't wait for the next to com out! The author of this book really captures the essence of teenage life while sticking in other challenges that everyday people don't have to face. I think everyone should read this book. Those who are insecure can find hope in the message you are not alone.
