Description Stalk Me by Jillian Dodd

From *USA Today* bestselling author Jillian Dodd comes the first book in the addictive *Keatyn Chronicles* series. Discover a breathless fairy-tale romance with swoon-worthy characters, suspense, and a glittering celebrity world. Fans of *Gossip Girl*, *Pretty Little Liars*, and reality TV will devour this pulse-pounding, sexy teen drama set against the backdrop of Hollywood and an East Coast boarding school.

Keatyn has everything she ever dreamed. Her life is following the script she wrote for the perfect high school experience. She's popular, goes to the best parties, dates the hottest guy, and sits at the most-coveted lunch table. She's just not sure she wants it anymore. Because, really, things aren't all that perfect. Her best friend is threatening to tell everyone her perfect relationship is a scam. Her perfect boyfriend gets drunk at every party they go to. It's exhausting always trying to look and act perfect. And, deep down, she isn't sure if she has any true friends.

To add to the drama, her movie star mom has a creepy stalker. A hot, older man flirts with her and tells her they should make a movie together.

And she's crushing on an adorable surfer. Dating him would mean committing social suicide.

So she writes a new script. One where all the pieces of her life will come together in perfect harmony. But little does she know, there's someone who will do anything to make sure that doesn't happen.

With laugh out loud moments and swoon-worthy guys, The Keatyn Chronicles is a fun, sexy, and addictive series you won't be able to put down. -J. Sterling, NYT & USA Today Best Selling Author

Customer Reviews LOVEEEEE by MaddiePaz

Loved this book!!! The way Jillian writes is so personal and detailed it allows you to feel like you're actually there. The boys that Jillian creates in her writing are FLAWLESS and I would be ecstatic to have the choice of even one of them.

The character Keatyn is amazing, even though she is confused about who she is it makes her extremely relatable.

The plot was fun and unpredictable, when you least expect something to happen, it happens.

and one last time I need to mention THE BOYS! I love them all so much it makes it hard to decide who I want Keatyn to end up with!!! They're all so hott!
