Description The 5th Wave by Rick Yancey

"Remarkable, not-to-be-missed-under-any-circumstances."—*Entertainment Weekly* (Grade A)

***The Passage* meets *Ender's Game* in an epic new series from award-winning author Rick Yancey.**

After the 1st wave, only darkness remains. After the 2nd, only the lucky escape. And after the 3rd, only the *unlucky* survive. After the 4th wave, only one rule applies: trust no one.

Now, it's the dawn of the 5th wave, and on a lonely stretch of highway, Cassie runs from Them. The beings who only look human, who roam the countryside killing anyone they see. Who have scattered Earth's last survivors. To stay alone is to stay alive, Cassie believes, until she meets Evan Walker. Beguiling and mysterious, Evan Walker may be Cassie's only hope for rescuing her brother--or even saving herself. But Cassie must choose: between trust and despair, between defiance and surrender, between life and death. To give up or to get up.

"Wildly entertaining . . . I couldn't turn the pages fast enough."—Justin Cronin, *The New York Times Book Review*

"A modern sci-fi masterpiece . . . should do for aliens what *Twilight* did for vampires."—USAToday.com

From Publishers Weekly Feb 25, 2013 – Yancey makes a dramatic 180 from the intellectual horror of his Monstrumologist books to open a gripping SF trilogy about an Earth decimated by an alien invasion. The author fully embraces the genre, while resisting its more sensational tendencies (rest assured, though, there are firefights and explosions aplenty). A rare survivor of the invasion, 16-year-old Cassie, armed with an M16 rifle and her younger brother's teddy bear, is trying to reunite with her brother and escape the Silencer (assassin) trying to kill her. Meanwhile, 17-year-old Zombie, an unwitting military recruit, is facing a crisis of conscience. The story's biggest twists aren't really surprises; the hints are there for readers to see. Yancey is more interested in examining how these world-shaking revelations affect characters who barely recognize what their lives have become. As in the Monstrumologist series, the question of what it means to be human is at the forefront in the words of cartoonist Walt Kelly, We have met the enemy and he is us. It's a book that targets a broad commercial audience, and Yancey's aim is every bit as good as Cassie's. Ages 14 up.

Customer Reviews Good read so far by Milhouse77BS

I'm halfway to the book so far and have really enjoyed it so far. It doesn't hurt that my last name is Parish and that I was stationed at Wright-Patterson Air Force Base at AFIT and NASIC (formerly NAIC, FTD) for four years about 15 years ago. By the way FTD was where the UFO study Project Bluebook was based out of in the 1960s and maybe early 70s. We joked about finding aliens in the basement but I never saw any.

Outstanding, scary, exciting story!!! by Bellasera906

I was hooked from the first page, PLUS I downloaded the book from Audible so that when I couldn't read it I was listening to it! Just finished it this morning and I have to say WAS THAT IT?!? (In a good way) There HAS to be a sequel.... Pleeeeeeaaassee?

Just the Sample by Mac.eee.gray.gar

Well if I may say so, the sample of this novel has gotten me hooked. There is such an aura of mystery and suspense and I can't wait to read the rest of this wonderfully adept story!

The 5th Wave by Rick Yancey

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with The 5th Wave by Rick Yancey. To get started finding The 5th Wave by Rick Yancey, you are right to find our website which has a comprehensive collection of manuals listed. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The 5th Wave by Rick Yancey. So depending on what exactly you are searching, you will be able to choose ebooks to suit your own need Need to access completely for Ebook PDF The 5th Wave by Rick Yancey? ebook download for mobile, ebooks download novels, ebooks library, book spot, books online to read, ebook download sites without registration, ebooks download for android, ebooks for android, ebooks for ipad, ebooks for kindle, ebooks online, ebooks pdf, epub ebooks, online books download, online library novels, online public library, read books online free no download full book, read entire books online, read full length books online, read popular books online. Document about The 5th Wave by Rick Yancey is available on print and digital edition. This pdf ebook is one of digital edition of The 5th Wave by Rick Yancey that can be search along internet in google, bing, yahoo and other mayor seach engine.
