Description The Elite by Kiera Cass

The second book in Kiera Cass's #1 New York Times bestselling Selection series

With even more glamour, intrigue, and swoon-worthy romance, this sparkling sequel to *The Selection* will captivate readers who loved Veronica Roth's *Divergent*, Lauren Oliver's *Delirium*, or Renée Ahdieh's *The Wrath & the Dawn*.

Thirty-five girls came to the palace to compete in the Selection, and to win Prince Maxon's heart. Now six girls remain, and the competition is fiercer than ever—but America Singer is still struggling to decide where her heart truly lies. Is it Prince Maxon—and life as the queen—that she wants? Or is it still Aspen, her first love?

From Publishers Weekly Mar 25, 2013 – In this sequel to *The Selection*, America Singer continues her deliciously entertaining quest for the affection of Prince Maxon and the title of Princess of Ill a in her country's time-honored tradition. Now whittled down to six girls, the Elite, the competition has grown even more cutthroat. Though Prince Maxon has made his feelings for America known, she wavers between wanting to be his future bride and following her ever-present feelings for her first love, Aspen, a guard from her hometown who has been assigned to protect her at the palace. Like the first book in the trilogy, this installment offers delightfully royal treatment for America, cat-fighting and tension between the remaining girls, a bit of dramatic action when rebels invade the palace, and, of course, tantalizing clandestine moments with both Maxon and Aspen. America's whatever shall I do? musings can get a little taxing, but all in all, Cass delivers another round of enjoyable, clean, romantic fun for readers who would love to spend just one day in America's pampered shoes. Ages 13 up.
