Description The Hunger Games by Suzanne Collins

The book no one can stop talking about . . . In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol is harsh and cruel and keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV. Sixteen-year-old Katniss Everdeen, who lives alone with her mother and younger sister, regards it as a death sentence when she is forced to represent her district in the Games. But Katniss has been close to dead and survival, for her, is second nature. Without really meaning to, she becomes a contender. But if she is to win, she will have to start making choices that weigh survival against humanity and life against love. New York Times bestselling author Suzanne Collins delivers equal parts suspense and philosophy, adventure and romance, in this searing novel set in a future with unsettling parallels to our present.

From Publishers Weekly Aug 23, 2010 – This concluding volume in Collins's Hunger Games trilogy accomplishes a rare feat, the last installment being the best yet, a beautifully orchestrated and intelligent novel that succeeds on every level. At the end of *Catching Fire*, Katniss had been dramatically rescued from the Quarter Quell games; her fellow tribute, Peeta, has presumably been taken prisoner by the Capitol. Now the rebels in District 13 want Katniss (who again narrates) to be the face of the revolution, a propaganda role she's reluctant to play. One of Collins's many achievements is skillfully showing how effective such a poster girl can be, with a scene in which Katniss visits the wounded, cameras rolling to capture (and retransmit) her genuine outrage at the way in which war victimizes even the noncombatants. Beyond the sharp social commentary and the nifty world building, there's a plot that doesn't quit: nearly every chapter ends in a reversal-of-fortune cliffhanger. Readers get to know characters better, including Katniss's sister and mother, and Plutarch Heavensbee, former Head Gamemaker, now rebel filmmaker, directing the circus he hopes will bring down the government, a coup possible precisely because the Capitol's residents are too pampered to mount a defense. "In return for full bellies and entertainment," he tells Katniss, explaining the Latin phrase *panem et circenses*, "people had given up their political responsibilities and therefore their power." Finally, there is the romantic intrigue involving Katniss, Peeta and Gale, which comes to a resolution that, while it will break some hearts, feels right. In short, there's something here for nearly every reader, all of it completely engrossing. Ages 12-up.

Customer Reviews Amazing Trilogy by Alison Phalen

After Harry Potter I didn't know what to do with myself, but luckily the odds were in my favor with the Hunger Games trilogy. Absolutely love them all. From the characters I quickly fell in love with to the captivating story, this trilogy captured my heart and 100% of my attention. Highly recommend these books to all!

GOOD BOOK by Maks'kay

I read it on my kindle and It was awesome I really recommend you to buy it and if you watch the movie I am sure you will like it

Loved it!! by Alltheprettylittlehorses

I watched the movie first, and I decided I would read the books. You know because movies leave so much out, and they really did on this one.

This book is amazing and I highly recommend it.

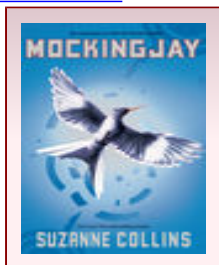

The Hunger Games by Suzanne Collins

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with The Hunger Games by Suzanne Collins. To get started finding The Hunger Games by Suzanne Collins, you are right to find our website which has a comprehensive collection of manuals listed. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Hunger Games by Suzanne Collins. So depending on what exactly you are searching, you will be able to choose ebooks to suit your own need. Need to access completely for Ebook PDF The Hunger Games by Suzanne Collins? ebook download for mobile, ebooks download novels, ebooks library, book spot, books online to read, ebook download sites without registration, ebooks download for android, ebooks for android, ebooks for ipad, ebooks for kindle, ebooks online, ebooks pdf, epub ebooks, online books download, online library novels, online public library, read books online free no download full book, read entire books online, read full length books online, read popular books online. Document about The Hunger Games by Suzanne Collins is available on print and digital edition.
