Description Verity (Cursed #1) by Claire Farrell

Perdita Rivers has spent her entire sheltered life being told what to do. Lately, she's felt ready for a change, and the universe seems to agree. Her new best friend's brother is the boy of Perdita's dreams. Literally. Even though he plays hot and cold, she's sure there's more to it, but she's kind of distracted by the sense she's being followed - not to mention the rumours of wild animal sightings that seem to mean more to her new crush's family than they should. Perdy's on a mission to find the truth, but maybe the truth is the danger she should hide from, after all.
