Description When Cows Fly by Tom Watson

The Michigan woods are beautiful and peaceful -- until something bad happens. A giant pile of filthy garbage is being dumped. Jacob decides to do something about it -- attaching some wings on his cows. The result? Let's put it this way: You wouldn't want to be under these cows when they get to work. Written by the author of "Stick Dog Wants a Hamburger," the story is illustrated with cut-paper pictures and written in a rhythmic (almost limerick) rhyming style.
